## NewLife Radio Receives the NRB Radio Impact Award!

During this year's National Religious Broadcasters conference in Nashville, Tennessee, **NewLife Radio** President, Doug Doran was honored to receive the Radio Impact Award on behalf of the entire staff. The Radio Impact Award is presented to a person, station, program, network, or ministry that has illustrated over time a consistent and unique impact within the Christian radio industry and/or to the Body of Christ as a whole.

**NewLife Radio** was nominated by Tim Kroll, President of Woodrow Kroll Ministries and the Helios Project. Last September **NewLife Radio** was privileged to partner with the Helios Project, and, through your giving, sponsored more than 800 solar units containing biblical teaching to pastors in Ecuador.

Tim Kroll's nomination stated, "On September 1-2, 2021 they had us share the need on their stations and encouraged people to give to supply a pastor in Ecuador with a Spanish Helios unit. But what really set them apart was the way they approached our project. It's like it became their project!" He went on to say, "At the end of the event I felt like we had not only completed the challenge successfully, but that I had also gained a few new friends, not just partners in the ministry, but friends."

Left to Right: Doug Doran, Mike Shelley, Joe Emert

Thank you so much for your continued partnership with **NewLife Radio**! It is because of you that we are able to partner with organizations like the Helios Project and bring the *Heart Warming and Life Changing* message of Jesus Christ to those who need it most!

# 1st Quarter

The first quarter of 2022 was pretty busy for **NewLife Radio**! Making up for lost opportunities because of the pandemic, station staff hit the streets beginning in January and they haven't looked back. Here's what's been happening.

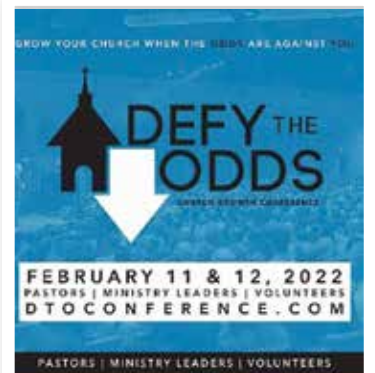

## JANUARY

**JIM STEWART.** We said goodbye to a good friend—well, not really. Jim Stewart stepped back from full-time employment with **NewLife Radio** on December 31, 2021, so the staff and **NewLife Radio** Board of Directors sent him off with a dinner and lots of love! You can still hear Jim weeknights from 9 until midnight on **NewLife at Night**!

## FEBRUARY

### DEFY THE ODDS CHURCH LEADERSHIP

**CONFERENCE.** **NewLife Radio** was well represented at the *Defy The Odds Church Leadership Conference* at Rock Springs Church in Milner, GA. We were able to meet with pastors and other church leaders and sharing the power of Christian radio was a great opportunity. Benny Tate, senior pastor of Rock Springs Church, said that the partnership with **NewLife Radio** is one of the reasons Rock Springs Church continues growing. If you would like to know how **NewLife Radio** can help your church grow call Mike Shelley at 770-229-2020 or email him at [generalmanager@newliferadio.com](mailto:generalmanager@newliferadio.com).

## MARCH

### 2022 WIDOWS CONNECTION LUNCH

After years of cancellations because of the pandemic, **NewLife Radio** was finally able to host the *Widows Connection* ministry! More than 30 ladies enjoyed a wonderful meal at Barnstormer's Grill, had great fellowship, won a few prizes thanks to our ministry partners, and

heard a fantastic message from Jelly Valimont, widow of the late Dr. Randy Valimont, senior pastor of Griffin First Assembly. The pictures are just a taste of the fun we had!

If you are a widow and didn't get the information about this year's event, please email our General Manager at [generalmanager@newliferadio.com](mailto:generalmanager@newliferadio.com) and he will make sure your name is on our list for next year's event!

## MAY

**GERANIUM FESTIVAL.** On Saturday, May 21 the **NewLife Radio** team will participate in the Annual Geranium Festival in Downtown McDonough. This event is a great opportunity to greet our many old friends and make new friends. We will enjoy barbeque, turkey legs, and

yes, tomato and onion sandwiches. There will be many artisan displays to browse through. To learn more about this event, visit [www.geraniumfestival.com](http://www.geraniumfestival.com).
