NewLife Radio Welcomes Howard B. Johnson to the Board of Directors

I am happy to announce the appointment of Mr. Howard Johnson to the board of directors of Life Radio Ministries, the parent ministry of **NewLife Radio**. Howard and Michele Johnson, from the Jonesboro, GA area, are long-time listeners and supporters of the radio ministry. Since 1996 Howard has served Delta Airlines in several capacities, and for the past 16 years as an Operations Analyst in the Information Technology Logistics Center. Additionally, he is an ordained minister and chaplain, and is active in his home church. Howard brings a lifetime of business, management, and ministry experience to our board.

Jenny and I, along with Doug Doran, were delighted to first meet Howard and Michele in 2018 when they joined with other radio listeners for a 10-day "Biblical Encounter" Tour of Israel. We were often delighted when Howard would look at his watch and tell us what was airing "back home" on **NewLife Radio**! You're a good listener when you know what time it is by what you hear on the radio! Thank you, Howard Johnson, for your willingness to serve.

WHAT'S BEEN GOING ON

Fall Sharathon 2020 Results

As we began planning for the Fall Sharathon, we wanted to keep in mind that this year was going to be very different. Not only were we going through a very trying time—the pandemic and the election, but we were also celebrating our 25th Anniversary. A verse continued to show up in our reading and devotions – Hebrews 10:23, *"Let us hold fast the confession of our hope without wavering, for He who promised is faithful."* This verse brought us all comfort and hope!

When we finished Sharathon, we knew our support was down as the total number of faith promises was just over \$80,000. But we were reminded of that passage in Hebrews, "let our hope be unwavering because God is faithful." He has shown His faithfulness for over 25 years! He has shown His faithfulness through the pandemic! And He will continue to be faithful in the future!

After Sharathon, the gifts continued to come in to now we are over \$90,000! Even though this is still well below our stated goal, God is faithful! He chooses to use these moments to stretch our faith. And He has shown throughout scripture how much He can do when only given a small amount.

Thank you for your partnership with **NewLife Radio!** Maybe you have been with us for over 25 years or just for a short time, but your faithful prayers and support mean so much to us. Remember, as you're faithful, He is faithful!

June – Conyers

"I am a long-time listener and supporter . . . The selection of music for these challenging days has been superb! . . . every song is very encouraging to trust God. . . . Every time someone tunes in, they will hear something to help them hold on and refocus on the Lord God Almighty instead of our present situations particularly with all the uncertainties presented by COVID - 19."

Bless y'all! Love and prayers – Clare

"I listen to your broadcast each day while driving around at work. Tony Evans, RZIM, *Running to Win*, David Jeremiah at 10 am, *Leading the Way*, *Revive our Hearts*, *Living on the Edge*, *New Beginnings* and at 3:30 pm *Money Wise*. Each of these programs is an inspiration to me as I walk in Christ on my way to my heavenly home!"

Bob – Jonesboro

"God has expanded my work and salary and I wished to pass that blessing on to the ministry of this station and know this additional sum will be used and applied wisely to extend the reach of the Gospel to many more. I love what our station brings in music, programming and outreach. You have been and will always be a blessing to many."

Jennifer – McDonough

But God!

With all the uncertainty that has been a part of this past year, navigating the new "Covid" normal, we know this one thing for certain—**God's Word is True!** Lately the Holy Spirit has impressed two words on me. **BUT GOD!** Everything that affects us and our lives, He remembers. He knows His people and preserves them for His Glory! Here a few of the **But God** promises.

- **But God** remembered Noah. (**Genesis 1:8**)
- **But God** said, Do not be distressed. (**Genesis 21:12**)
- **But God** sent me ahead to preserve for you . . . to save your lives by a great deliverance. (**Genesis 45:7**)
- **But God** will be with you. (**Genesis 48:21**)
- **But God** demonstrates his own love... while we were yet sinners (Christ died for us) (**Romans 5:8**)

After our Sharathon in October we recognized that our support from all areas of income had dropped significantly. In fact, it has been the trend all year long. A *national and world-wide pandemic can have that effect!*

As we prepare to navigate the new year let us join together to make it one of renewed commitment to tell others about Jesus. That is our goal and our commitment to each one of you. We know that God is not dead nor is He asleep. **BUT GOD** says to us as a radio-team, "Be Faithful!"

Christmas at Rock Springs Church!

At the beginning of 2020 our promotions calendar was pretty full and then the pandemic hit. Our calendar went dormant like Bermuda grass in the winter! However, on December 9 we are able to finally get the Bandwagon out of storage and begin the Christmas season

with Rock Springs Church in Milner, Georgia and their special guest, Natalie Grant! This is going to be a great time of seeing old friends and making some new ones all the while celebrating the birth of our Savior through the music from Natalie!
