Fall Sharathon 2023 Brings Food, Fun, and Fundraising!

Yes! It is that time of year again.

What time do you say? Well, for us it is a time of food, fun, fellowship, and fundraising! A great combination of our four favorite things. Ok, enough of the alliteration. But the truth is, we do have food, and fun, and fellowship,

all while we are fundraising! Bringing the financial needs of **NewLife Radio** to the attention of our listeners is not only scriptural, but also very necessary in today's

environment. **NewLife Radio** is a listener supported radio station. We exist because of the generosity of you, our listener. Twice a year we give you the opportunity to share in the expense of operation of this radio ministry. How often do you get to say that you "partner" with a radio station? So, put your partner hat on and prepare to engage with us October 23-26, 2023, starting at 7:00 Monday morning, October 23!

Shingleroof Camp Meeting

A highlight for **NewLife Radio** is the annual camp meeting at Shingleroof! Since the 1800s, Christians have been meeting at Shingleroof Camp in McDonough for a time of revival and renewal one week every summer. This year's camp meeting welcomed Dr. Mel Blackaby, senior pastor of Jonesboro First Baptist Church; Brady Howard, senior pastor of Glen Haven Baptist; and Rev. Jason Dees, senior pastor of Christ Covenant Buckhead. To learn more about future camp meetings visit their website, shingleroof.org.

Rock Springs Church Men's Event

Doug Doran and Mike Shelley represented **NewLife Radio** at this year's Men's Night at Rock Springs Church in Milner. Men from the area gathered for food from the Varsity and other delights, classic cars, and fellowship. We were also treated to the testimony of Eddie Penny, former Navy SEAL and author of the book, *Unafraid*. This year **NewLife Radio** was able to give away five New English Translation Bibles. Every year the men's ministry of Rock Springs Church continues to bring more men into the Kingdom, and your support allows us to be there sharing the Heart Warming and Life Changing ministry of **NewLife Radio**!

Kiwanis-Spalding County Fair

Another fall favorite is the annual Kiwanis-Spalding County Fair! It's a great time to see old friends and make new ones, and this year's fair was no different. The staff was able to share the ministry of **NewLife Radio** and give away drawstring backpack bags, the updated Adventure Club Kids cards, and other items as we strive to extend the love of Christ to our world.

NewLife Radio Helps Helios Projects Train over 600 Pastors!

On September 5 and 6, **NewLife Radio** once again partnered with The Woodrow Kroll Ministries and The Helios Projects. Your continued support of the Helios Projects has trained over 600 pastors through the use of unique solar-powered devices. These devices contain over 250 hours of biblical training in a "down-to-earth" conversational format on the essentials of the Christian faith in the pastor's own language.

It was a joy to see the number of training devices continue to rise as the **NewLife Radio** listeners caught the vision shared by Tim Kroll, son of Dr. Woodrow Kroll and president of the ministry, and Mike Murray. Because of your partnership there are more than 600 pastors in the nation of Ecuador who will be equipped to share the Gospel and disciple their congregations. You have helped fulfill the Great Commission right here in Georgia.

LISTENER LETTERS

Saturday night I was on 85 around highway 316 headed home at 7:15 pm so I decided I could pick up WMVV's Gaither Gospel Hour to listen as I drove. I said what a better way to spend that time listening to my favorite radio station! Then I heard the Jordan's start to announce the last of the National Quartet Convention winners! They called two names and then **they called my name**. I couldn't believe my ears. Then I heard the Jordan's announce again at 9 pm and I was shouting for joy at my home out on my patio dancing a hallelujah dance! Thank you, Thank you!

Sharon – McDonough

Thank you! This blessing of tickets to the National Quartet Convention couldn't have come at a better time. The months of June and July were rough for my family. My husband and I look forward to the convention and plan to stay several days. Blessings to you all and I am grateful for **NewLife Radio!**

Faye – Barnesville

Thank you for your faithfulness in broadcasting God's truth.

Greg and Connie – Newnan

Debbie Faubion, thank you so much for your wonderful selection of music. I especially am blessed by your happy 'smiling' voice. When the Hoppers song came on just now, I had to write! Yahweh be praised!! And may I say how much I love the Saturday mornings, and at 69 years young, I am always quoting C.J., Paw Paw Chuck, or any of 'The Pond' characters. My husband teases me, but he loves it, too. Thank you for your hard work and faithfulness!

Jill – Forsyth

Thank you, **NewLife Radio**, for the continuous encouragement and sound Biblical teaching your station promotes. Keep it up!

Atlantia – Griffin

Thank you for all the great, encouraging, and hopeful messages you have to help us grow. May God bless you and keep you!
